President's Address 2019

Hello Ontario Guernsey Association

I hope everyone is enjoying the mild winter we've been experiencing thus far. We were fortunate to get most of our crops in this spring despite the late and wet start of the season. A rainy year made for good crop and pasture growth for the Guernseys.

Not a lot to report on this year. We were able to have a Guernsey cow on the news for advertising for our local agricultural society, the reporter milked her by hand while asking questions about the breed and fair. We used the Guernsey cow for our milking demonstration at the fair and our audience numbers doubled from last year, of people who wanted to see a brown and white cow getting milked while educating them about the breed and benefits it has to offer.

Wishing everybody a happy and healthy 2020.

Respectfully submitted,

Colin Comfort
