2024 CANADIAN GUERNSEY ASSOCIATION EXECUTIVE

BOARD OF DIRECTORS

Jim Eby	Waterloo, ON
Christian Kaiser	Noyan, QC
Paul MacLeod	Embrow, ON
Colin Comfort	St. Anns, ON
Brad Comfort	St. Anns, ON
Bruce Fuller	Wolfville, NS
Rob Forster	Lynden, ON
Scott Gordon	Rockwood, ON
Morris Barlett	Caledonia, ON

EXECUTIVE

Past President	Jim Eby
President	Paul Macleod
1 st Vice-President	Bruce Fuller

BY-LAW OFFICERS

The Board of Directors may appoint from their number or from the other members of the Association, special committees, but must in all cases, name one of their number as a member who shall be the presiding officer. The action of any special committee is subject to the approval of the Board of Directors.

REPRESENTATIVE TO BOARD

Fieldman	Russell Gammon
Signing authority	Scott Gordon
	Linda Markle
	Kathryn Chapman

BREED IMPROVEMENT COMMITTEE

Christian Kaiser	Chairman
Jim Eby	
Bruce Fuller

CANADIAN GUERNSEY ASSOCIATION
2024 ANNUAL GENERAL MEETING MINUTES
held in-person and virtually Thursday, March 28, 2024

Present:	Paul MacLeod	-	President, ON (Canadian Association)
	Bruce Fuller (virtually)	-	Vice-President, ON (Canadian Association)
	Scott Gordon	-	Canadian Director, ON
	Jim Eby	-	Canadian Director, ON
	Christian Kaiser (virtually)	-	Canadian Director, QC
	Brad Comfort	-	Canadian Director, ON
	Morris Bartlett	-	Ontario Director, Canadian Director, ON
	Marlin Martin	-	Ontario Director, ON
	Ben Eby	-	Ontario Director, ON
Regrets:	Jocelyn Forster	-	President, ON (Ontario Association)
	Colin Comfort	-	Vice-President Ontario & Canadian Director, ON
	Rob Forster	-	Canadian Director, ON
Staff:	Linda Markle	-	Director, Member and Customer Support
	Isabelle Passaretti	-	Registrar, Canadian Guernsey Association
	Russell Gammon	-	Field Representative

1. CALL TO ORDER

P. MacLeod presided as chair for the Canadian Guernsey Association. The meeting was called to order at 11:30am.

2. ACCEPTANCE OF AGENDA

The agenda was presented. P. MacLeod asked for approval of the agenda.

On motion by S. Gordon and seconded by M. Bartlett, it was RESOLVED THAT the agenda be accepted. Motion carried.

3. APPROVAL OF MINUTES FROM PREVIOUS ANNUAL MEETING

P. MacLeod reviewed the minutes of the Friday, March 17, 2023 meeting printed in the Annual Report and available on the web. Following asked for any errors or omissions.

On motion by S. Gordon and seconded by M. Bartlett, it was RESOLVED THAT the March 17, 2023 minutes be accepted as presented. Motion carried.

4. PRESIDENT'S ADDRESS

P. MacLeod welcomed everyone to the meeting and introduced the Board of Directors. He thanked them for their time and dedication to the Association, thanked Russell Gammon and staff for their work over the last year and read his message as presented in annual report.

5. ADMINISTRATION REPORT

Isabelle Passaretti presented the administrative report highlighting her first year working with the Association, meeting members and noting her appreciation of everyone's patience while learning her new role.

6. FINANCIAL REPORT

and 13. Overall the investment portfolio was up for the year showing a gain. The Year to Date Income Statement showed the overall revenue for 2023 compared to 2022 was up. Expenses were up from prior year mainly due to Association's investment in genomic testing project. B. Fuller thanked Rob Forster and Marie McNabb for the Financial review.

On motion by B. Fuller and seconded by J. Eby, it was RESOLVED THAT the Finance Report be accepted as presented. Motion carried.

For added information B. Fuller reviewed the 2024 budget.

7. FIELDSMAN REPORT

R. Gammon highlighted his report from the annual report, updating on goals, challenges, sales, social media, genotyping project and upcoming events.

8. BREED IMPROVEMENT REPORT

S. Gordon presented his report as presented in annual report. Reviewing the statistics on genotyping project, average production records, number of animals classified and classification changes made over the year.

P. MacLeod gave special thanks to S. Gordon for his years as chair on Breed Improvement Committee.

9. AWARDS

P. MacLeod presented awards to members for each class, full listings of awards are noted on website. All award Certificates were given to those at AGM and rest mailed to all owners.

Special note and congratulations made to the Gold Star Breeder – Eby Manor Ltd.

10. ELECTIONS

R. Gammon ran the elections.

R. Gammon asked for a motion to accept and close elections. S. Gordon moved the motion. P. MacLeod seconded the motion.

11. NEW / OTHER BUSINESS

None.

12. ADJOURNMENT

Motion to adjourn the meeting was put forward by S. Gordon. Motion carried. Meeting adjourned at 12:15pm.

13. CLOSING REMARKS

Thank you to everyone for attending the meeting today and donating articles for the auction. Following the auction and lunch our guest Speaker Brian Van Doormaal will give a presentation on 'A Genetics Overview of the Canadian Guernsey Breed'.

CANADIAN PRESIDENT'S ADDRESS

A Successful Year for Guernsey Canada

To say Guernsey Canada has had an outstanding year would be an understatement. There has been a great increase in all activity within the breed. The popularity of the breed is making local news and international demands. That is all a GOOD thing. The genomic project has added more information and value to the breed and we will continue working on this great investment.

The summer meeting at Comforts showed the Guernsey's heading into a Robot barn. All reports are: humans and cows are loving it. It was great to see the attendance at the fall show in Ancaster – great line up of animals shown and spectators there to watch!

I would like to extend my thanks the Board of Directors and all the Guernsey members for your ongoing support, passion for the breed and active participation in all our

programs. Also thank you to the administration at Holstein Canada, especially Linda and Isabelle for their help and guidance and the top-notch job they do on the Guernsey News. We are very lucky to have them.

Special thanks to our Field Man Russell, a more positive man you will never find.

As Russell would say, Onwards and upwards.

Paul MacLeod

President

ADMINISTRATION REPORT

Reflecting on a Wonderful Year for the Canadian Guernsey Association

What a wonderful year it's been for the Canadian Guernsey Association—what better time to reflect on some of our highlights! Earlier this year, just before last year's Annual General Meeting, we had the pleasure of visiting three fantastic farms: Hidden Lane Dairy, Mar-Ley Farms Inc., and Eby Manor Ltd. In the summer, we gathered for our picnic at the Comforts' new dairy barn, which featured a classification demonstration. To top it all off, we had a well-attended National Show in the fall.

I had the opportunity to assist with each of these activities, from behind-the-scenes prep, photography and assisting at the events to sharing photos in the magazine. Best of all, it was a pleasure meeting producers and seeing the cows! It's been a year full of laughter, familiar faces, great stories, and, of course, plenty of delicious food!

On a statistical note...

In 2024 we saw growth in registrations, transfers, and classifications in 2024.

Visit Year	EX		VG		GP		G		F		Total
	#	%	#	%	#	%	#	%	#	%	
2024	16	8.0	44	22.1	94	47.2	45	22.6	0	0.0	199
2023	12	6.4	45	24.1	86	46.0	42	22.5	2	1.1	187

Year	Registrations	Transfers	Membership
2024	324	61	76
2023	231	47	74

I'm currently working on the spring issue of the Guernsey News and will be collecting pictures, information, advertisements, and stories over the next month. If you have anything to share, **please send them my way by April 2nd at ipassaretti@holstein.ca.**

2024 was a great year however I'm excited to see what 2025 has in store!

Please do not hesitate to contact me with any inquiries you may have:

Email: ipassaretti@holstein.ca
Phone: 1(855) 756-8300 ext. 223

Take care,

Isabelle Passaretti

FINANCIAL REVIEW

TO: THE MEMBERS OF THE CANADIAN GUERNSEY ASSOCIATION

We have reviewed the balance sheet and income statement of the Canadian Guernsey Association as of December 31, 2024. These financial statements are the responsibility of the Canadian Guernsey Association. Our responsibility is to express an opinion on these financial statements based on our review.

In our opinion these financial statements fairly represent the financial position of the Association as of December 31, 2024 and the results of its operations for the year then ended, in accordance with generally accepted accounting principles for non-profit organizations.

Rob Forster

Marie McNabb

FIELDMAN'S REPORT

Prepping for the Future!

A common expression in society today is: "Chillin' Like a Villian". In the Guernsey breed there is zero time for such frivolity. Our members work hard and need and deserve a true break from time to time. However; as an Association we must be constantly striving to place more emphasis on doing more of the right things than just being busy and ever chasing the do more mantra!

That being said there are definite signs that something (beyond good) is happening in the Guernsey realm in Canada!

The oomph and spring in our step both increased markedly with receipt of 2024 year-end stats from your Administrative Dream team at HAC at Brantford! We suspect that many Associations would very much want to be able to say that their 2024 annual memberships are the highest they have been in a quarter century, since 1999! Think about it: **CGA ACTIVE ANNUAL MEMBERSHIPS ARE AT THE HIGHEST LEVEL THEY HAVE BEEN AT IN THE FIRST QUARTER OF THIS CENTURY!** Definite cause for a pause to rejoice!

When you add this to the fact that registrations were at their highest level since 2003 in 2024 joy abounds! Think about that! **TWENTY-ONE YEARS SINCE A HIGHER REGISTRATION LEVEL!** Celebrate good times, come on, yeah, as a famed song says!

While annual memberships are currently at a level set as a goal by the CGA Board a few years back there is so much more room for growth and indeed, so much NEED for more growth in the number of people owning and working well with Guernsey's in this large country. May we also say more dairy producers expanding Guernsey numbers through using the best possible bulls available and using a lot of sexed semen! Plus, more folks doing ET and IVF work and implanting embryos in other breeds or selling embryos to folks with non-Guernsey recipients. So much more growth is possible. There is no question that markets would be available to fill if there were more Guernsey's available! We have a steady stream of demand for the bovine part of our product line, we need animals to fill it! The other factor is that while our membership total is healthy and growing the registration total is well off of the goal set by the Board for this measure. We urge our leadership and the pool of Guernsey owners across the land to discuss this necessary topic, land on solutions and implement those solutions.

How exciting it has been to see the growth of genomic testing, largely through the most excellent program established by CGA, within this breed. More numbers growth will come from adding results from older animals that were DNA tested but not yet genomic tested. We are sure the 500 samples tested mark will be exceeded in 2025 but why slow down!? Time to go all in and all gas, no breaks on this effort too! Canada is becoming known as a leader in this realm. A big bow to previous Boards and staff who have done a TRULY SUPERB job of managing finances with care but also vision. Unlike some sister associations CGA is in a sound financial position. This allows for wise investment of reserves to keep growing the breed!

We have worked hard to raise the visibility of the Guernsey breed in Guernsey circles and beyond. How? **990** Facebook posts during 2024. In the first two months of February 2025 up to the morning of February 27th an additional **240** posts have been made. This brings that fourteen-month total, to date, to **1,230 posts!** We have climbed from somewhere around the 3,000 followers level, a few years ago, to an approximate level of **6,220 followers!** It is conceivable that the number could grow to more than 7,000 by the end of 2025! We cannot thank the World Guernsey Cattle Federation, Global Guernsey Marketing and the great folks at the American Guernsey Association for all the material they share which we can share. The WGCF input comes mainly from the Federation's very active Instagram account!

As with everything else we must constantly ask: How can we be more effective? How can we do a better job? How can we encourage more dairy producers to be actively engaged with all of exciting activity in the Guernsey breed!??

CGA does a superb job encouraging 4-H members. Those dedicated 4-H members do an exceptional job keeping Guernsey's in front of the agricultural public! So great that CGA supported the three teams who had Guernsey members participating in the amazing TD 4-H Dairy Classic this year! Further that CGA recognizes 4-H members completing a year's worth of effort with Guernsey calves!

Our National Show each September is an excellent showcase for the breed. Ancaster Fair are great hosts. We obtain super mileage from the excellent photographs taken there! Exciting to see Canadian Guernsey's exhibited at Madison and WDE this year with some sold there! Tip of the Guernsey hat to London Dairy and Co for their efforts and buying animals to bolster their string. Nice to see Treat from Maplehurst (originally) doing well.

In 2025 there will be a Guernsey heifer from London Dairy, wearing the Maplehurst prefix in the very high-profile Calves for a Cause sale! The 2024 Guernsey sold well and represented the breed admirably! Let's support the 2025 calf!

On the horizon is the 2026 World Conference in Australia. We already know of one or two Canadians who will be attending! Australia is a stunning country. The entire event, spread across a number of states, will be super-terrific!

The Golden Guernsey Gathering in March and the Summer Picnic in July afforded superb opportunities to gather Guernsey-convinced folks and those considering the breed together to learn more about this amazing breed and her very high-quality milk. Thanks to our generous hosts!

In the end dairy cattle are "all about the milk" and about the products processed from that milk. Markets for Guernsey milk-fluid and further processing milk, are expanding. This leads back to the need to expand the female population of Guernsey's in this country. The efforts of cheese factories and Guernsey owners to create extremely high-quality milk products and make them available are grand, simply grand, as the Irish would say! There is some terrific work being done in Ontario and British Columbia! Kudos to Eby Manor and suppliers, Upper Canada Cheese and the Comforts and Promise Valley. It is possible a new face in this realm will appear in 2025 or 2026!

It is time to keep going, to strive wisely and to be swept up in the enthusiasm surrounding Guernsey cattle, Guernsey people and Golden Guernsey milk!

The efforts by our admin team in Brantford and their HAC associates are nothing short of terrific! What a golden relationship we enjoy! Hats off to y'all too!

Submitted with boundless enthusiasm,

Russell Gammon

PS #MAKEMOREGUERNEYS

Breed Improvement Committee Report

Looking Back on 2024:

The year 2024 was primarily focused on increasing the number of genomic-tested Canadian Guernsey animals. We kicked off the year with a presentation at the 2024 AGM, where our guest speaker, Brian Van Doormaal, provided an insightful "Genetics Overview of the Canadian Guernsey Breed."

"Gradually, over time, a full commitment by all Canadian Guernsey breeders to genotype 100% their registered heifers will translate to a greater gain in accuracy of genomic evaluations ... and a faster rate of genetic progress for the breed!" – May Guernsey News issue – Lactanet Article -Maximizing Genetic Progress in Canadian Guernseys

Throughout the year, our committee received invaluable guidance and support from Lactanet, particularly on genotyping of older AI bulls and enhancing the testing of the current active population. We continued to see growth in the number of genomic animals tested, largely due to the genotyping program introduced by the CGA Board. This initiative offers partial or full coverage of test fees for herd owners participating in genetic improvement programs.

As we closed out 2024, we began a new project aimed at obtaining stored microsatellite samples from animals tested prior to SNP testing and subsequently testing them. Expanding the reference population of genotyped animals will accelerate genetic progress and help ensure the long-term sustainability of the Guernsey breed.

The summer picnic at Comfort Farms featured a Classification presentation by Dave Weitzel, offering a helpful review of the reference points used in evaluating our cows.

Looking ahead to 2025, our Committee will focus on reviewing the classification reports, the Star Brood Program, and the Gold Star and Master Breeder member awards.

In closing, let's continue working to increase the reliability of genomic evaluations. A heartfelt thank you to the Breed Improvement Committee members for your support throughout the past year

Christian Kaiser

Breed Improvement Committee Chair
