President's Ramble

Here's hoping everyone has had a good summer so far, crops look good and moisture certainly isn't a problem especially around here.

The summer picnic at Comfort Farms was a good get-together and educational. The picnic was a nice day to sample cheese and other products from Upper Canada Cheese Company and chocolate milk and ice cream from Eby Manor Guernsey. Guernsey products have developed a following and we hope it continues to grow.

At the picnic I found the Classification presentation given by Dave Weitzel a good reminder of reference points used in evaluation of our cows, this information helps in breeding decisions and improvement of the breed. Identifying the traits and ideals with a marker on the cow added a great visual to his presentation!

At the picnic the Association presented the Comfort's with the first of our new redesigned farm sign. I'm quite impressed with it, lots of discussion back and forth with the designer and board and we ended with a modern sign.

It's nice seeing a number of Guernsey calves used as 4-H projects, we can make more! The continued market for Guernsey heifers and embryos is nice to see, the genomic information is an asset. Don't forget to let our Registrar know if you are a youth participating in 4-H with Guernsey calf. We like to know who you are so the Association can recognize you and your Guernsey calf project.

Thank you from the board for all the professional work done by Linda, Isabelle and Russell to help move us forward.

Hopefully we will have a nice rest of the summer and get a good harvest.

Remember the national show in Ancaster, I'll see you there. Todd the Guernsey cat is still purring along. Bye for now!

- Paul MacLeod

National President

Registrar Message

Happy Summer to all!

I hope you are all finding time in your busy schedules to take a moment and relax, we often find ourselves forgetting to stop and smell the roses. Memberships are holding and transfers are slightly up year to date, it is nice to see registration activity is also up. Let's keep this momentum going for the remainder of the year!

Year to Date Comparisons

January to June	2023	2024
Members	74	74
Registrations	126	187
Transfers	33	37

We would like to thank the Comfort family for hosting this year's picnic and allowing us to tour their new barn, it was a fun day filled with many laughs! We had a great turn out with many faces showing up to support the farm and the breed. Enjoy some pictures from the picnic on pages 8-9.

The National Guernsey Show is next up on the list for events, we are looking forward to seeing you there September 19th at the Ancaster Fairgrounds!

Please do not hesitate to contact me with any inquiries you may have at ipassaretti@holstein.ca or by phone at 1(855) 756-8300 ext. 223.

If I happen to be away, **Golda-Anne Nabila** will be more than happy to assist you! (gnabila@holstein.ca/ext.229)

- Isabelle Passaretti

Introducing the new redesigned GUERNSEY SIGN

These signs are made from a di-bond aluminum printed with special UV-resistant inks. They are "weather-proof" and can withstand the elements for up to 20 years. Lightweight and crack resistant, the only worry should be about where to hang them!

The sign comes in 3ft by 2ft, it can be one sided or two sided with option to customize name.

Orders can be made to ipassaretti@holstein.ca, signs will be shipped to the customer directly from the manufacturer.

Cost is yet to be determined by the Association, please contact the Registrar for further information.

Supporting Youth

4-H APPLICATIONS

If you or a youth you know is participating in 4-H with Guernsey calves, please let us know.
The form is available on the website <http://www.guernseycanada.ca/>

**4-H Awards**

The Canadian Guernsey Association is pleased to support the 4-H program by presenting a special award to 4-H members who complete their project using a registered Guernsey calf. Applications are received throughout the year and close as of November 30th of the current year.

Name: _____ Age: _____
Address: _____
Postal Code: _____ Phone: _____
Number of years using a registered Guernsey calf: _____
Name of Calf: _____ Reg #: _____
Owner of Calf: _____
Name of 4-H Club: _____
Name & Address of Club Leader: _____

I certify that the above member has completed their 4-H calf club project with a registered Guernsey calf.

Signature of Leader _____ Date _____

This form is to be returned upon completion of project to:
Canadian Guernsey Association
Box 610 (civic: 20 Corporate Place)
Brantford ON Canada N3T 5R4

Fax: 519-756-3502 Phone: 1-855-756-8300 Email: Guernseyinfo@holstein.ca

2023 PARTICIPANTS RECEIVING HALTERS FROM THE CANADIAN GUERNSEY ASSOCIATION

GUERNSEYSUMMER PICNIC

HOSTED BY COMFORT FARMS

The Comfort's hosted this Summer's picnic on July 20th and a beautiful day for a picnic it was! We had a demonstration on reference points for Classification done by our Classifier Dave Weitzel, he did a great job and provided excellent visual. Thank you, Dave!

Another big thank you to Jen and her team at Upper Canada Cheese Company! Jen made it out to the picnic with a tray of various cheeses to contribute to the potluck along with a beautiful wooden box of cheese and goodies donated for the auction, it was a huge hit! The Comfort family has been working with Upper Canada Cheese Company (UCC) for two decades now and the majority of the milk produced in their herd is used for UCC's delicious products.

We were not going hungry with the amount of food brought to the picnic, we appreciate everyone's contribution!

Fieldman's Reflections

Beginnings...of the Golden Guernsey kind!

One of the best things about starting an article entitled "Beginnings" is determining where to start based on multiple great options in the Guernsey breed. Things are looking up!

How about starting with a re-beginning?!

The Eby family at Eby Manor Ltd. held their first open farm day in the summer of 2019. Then along came a global disruption - you know what we speak of!

The Eby's were back at it on June 15th with their second open farm day! The day could not have been any better regarding the weather in their region of Southwestern Ontario and crowd volume!

The Eby's wanted to say thank you to their customers for the enthusiasm for Eby Manor products and growing sales of their milk, cheese and yogurt. Hundreds accepted the invite to tour the farm on a sunny clear day with ideal temperatures. The estimated number of attendees is between 550 and 600!

Options included tours of the milking cow barn and pens for older heifers. These tours had well-informed guides and modest numbers of folks in each tour group. Also, on the docket were tours of the facilities for younger heifers, wagon rides around the fields and the presence of a number of associated companies whose products are available through the on-farm dairy market.

Speaking of the dairy market, business was very brisk and eventually line ups to enter the store developed. As the crowds entered the barn tours Jim Eby explained that Eby Manor Golden Guernsey products are available in over 200 stores in Southwestern and Central Ontario! He also noted that as demand for products has grown, arrangements have been made to access milk from nearby herds owned by the Horst and Martin families! Several former and current Guernsey folks were part of the great crowds! You'll find a bevy of photos from this highly successful day elsewhere on page 14-15 in this issue of the news!

We are inspired by plans to do some embryo transfer work with superior herd members on the part of some Ontario Guernsey owners. These folks are also searching for outstanding cattle to serve as additional embryo donors.

In May, while in the Maritimes, we had the inspirational opportunity to visit with Iain Anderson in the Sussex area of New Brunswick who has recently purchased a fine Guernsey heifer from the West family at Beaverwood Farm in the same province. Iain and his family maintain a herd of Holsteins and Jerseys in a freestyle barn, Iain is also a sheep breeder and the family keep some horses too!

In addition, in the Maritimes in May the Colorful Collection Canadian Kind Sale was hosted by the Dillman family of Musqie Valley Farms in Halifax County, NS. The Dillman's maintain a dairy herd containing five dairy breeds. The multi-breed sale was a successful event. Within the sale a Guernsey heifer, bred and consigned by Eby Manor, was one of the higher sellers. She sold in absentia and remains in Ontario; a pre-sale open house attracted a sizable crowd.

Those stopping in to see sale animals also inspected the evolving Guernsey portion of the herd operating in partnership with the Fuller's from Nova Scotia's Annapolis Valley!

Exciting news was shared at the June Canadian Guernsey Association board meeting regarding the Association's

genomic testing initiative. As of the meeting time, over 330 animals had been genotyped through the program which was launched in March 2023! By the time you are reading this article samples from an additional 108 head, or more will have been processed. This will bring the total tested via the program to at least 440 head.

Further plans are to genotype as many animals, tested via former microsatellite stored samples since the early 2000s, is possible to add to the pool of animals genotyped! We are actively working with owners of herds, that are involved in genetic improvement programs, that have yet to be part of the program to expand the reference population of genotyped animals! We will easily surpass 500 animals through the program this year and drive on to 600 or more! The board has, at least temporarily, extended the program. Contact us to see about involving your registered animals!

In other exciting news you'll read a report of the Guernsey Summer Picnic hosted by the Comfort family of the

Niagara Peninsula in this issue. Visitors will have a chance to tour the new milking facilities at Comfort Farms!

On and on the beginnings go! Hoping to see a new Guernsey Farm sign during the summer top!

We are also looking forward to the 2024 National Show at Ancaster Fair on Thursday, September 19th!

We continue to consult with dairy producers who wish to launch/begin a Guernsey segment in their dairy herds. We direct them to Guernsey owners in their regions who may have foundation stock available.

Beginnings, we love them! The Guernsey breed is full of them! Contact us if we can help you with a Guernsey beginning!

- *Russell Gammon*

How it Began

It has been no secret that the Fuller family in Nova Scotia have a keen interest in the Guernsey breed. The breed has been in their blood for many years, involving many generations of this family. The foundation of this passion for Guernsey's started with Frank Saunders, grandfather of Bruce Fuller and great grandfather of Jennika Fuller.

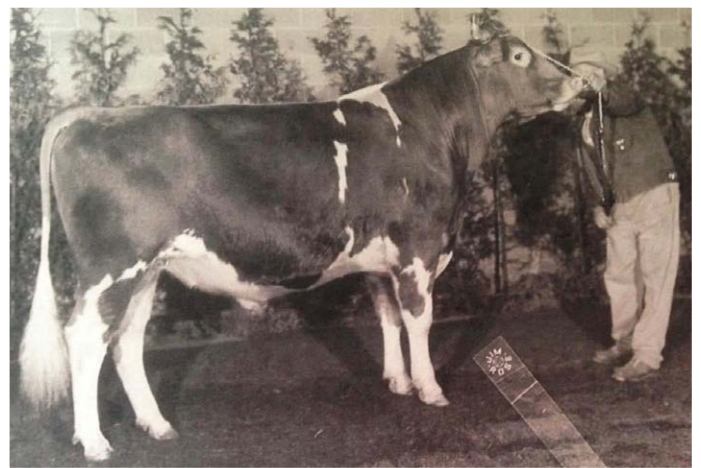

In 1934, Frank Saunders formed Valley View Farm which was centered around breeding and milking quality guernsey cows. Frank was also a relative on his father's side to the Borden's of the well-known Tannery Hill Guernsey's. Under Frank's careful eye and expertise in breeding and genetics, Valley View Farm developed into one of the most respected Guernsey farms in Atlantic Canada. Valley View Guernsey in time became the genetic base of many Guernsey lines in the Maritimes, and even spreading as far as Ontario and Manitoba.

Frank Saunders Guernsey View Anna at Laurencetown Ex 1945

A highlight in Frank's involvement in breeding Guernsey cows was to have a bull selected for an A.I. unit in Ontario. This "famous" bull was Valley View Billy. Frank realized the genetic improvements that could be gained through A.I. he was instrumental in establishing a sub-unit of the Nova Scotia Animal Breeders' Cooperative in Kings County and was very active on the Young Sire Selection Committee at the Provincial level. He was also a proud supporter of 4-H, each year donating a Guernsey calf to a deserving member. At that time, it was called a local calf club rather than 4-H. His children, including Bruce Fuller's mother and

Jennika Fuller's grandmother Barbara Saunders (Fuller) proudly showed Guernsey calves in their local calf club in Weston, Nova Scotia.

Valley View Billy

From a young age, Bruce accompanied his grandfather to many exhibitions throughout the province and Maritimes, often even making the trip to the Royal Winter Fair in Ontario each year.

Valley View Billy's Choice

He spent many summers at Valley View Farm helping Frank with his cattle and farm and helping prepare and show his was often the recipient of Premier Breeder awards.

A VALLEY VIEW FARM STORY

BY JENNIKA FULLER

He has also served as judge at many shows including the Canadian National Exhibition and the Royal Winter Fair.

Bruce Fuller Winner of Showmanship Class at RAWF

Showing his grandfather's Guernsey's just wasn't enough to satiate Bruce's love for the breed and developing show quality Guernsey cows. So, in 1979 Bruce started his own Guernsey herd, under his farm Minas View Farms. Bruce too became a familiar place at exhibitions. Bruce also developed a strong Guernsey herd, following in Frank's footsteps. Bruce and his Guernsey's became a force to be reckoned with in the show ring. One of Bruce's most prized cows, Glenville G. C. Velma, went on to win many breed and supreme grand championships, some highlights being Supreme Champion at the Atlantic Winter Fair, and coming 2nd at the Royal Winter Fair.

Katrina Scott, Jennika Fuller, Bruce Fuller in Breeder's herd class at Lawrencetown

Eventually, as life happens, the Valley View Guernsey's and Minas View Guernsey's came to a stop, the Fuller family leaving the dairy industry altogether. Have no fear, this is not where this story ends. In 2015, Jennika Fuller decided to start showing dairy in 4-H, starting off with a Holstein calf. What Jennika longed for was to follow her families roots in the Guernsey breed. Thus began the search for a Guernsey calf for the following show year. Having no Guernsey farms in Nova Scotia at the time, the Fuller's eventually connected with Comfort Farms in Ontario and purchased Jennika's first Guernsey, Comfort Farm's Jenelle. The passion for the breed was re-ignited in Bruce and began for Jennika that year and has been going strong ever since, increasing their herd and improving genetics through their partnership with Musqie Valley Farm. More information on this partnership is to follow in the upcoming journal.

EBY MANOR OPEN HOUSE

On June 15th close to 600 people attended Eby Manor's 2nd Open House. We featured food trucks, a coffee trailer, guided barn tours, and wagon rides on the farm. The food and coffee vendors featured different ways Eby Manor Ltd products can be used. Plus, we also had door prizes donated by some of our wonderful retail partners! One of the purposes of our Open House was for the public to meet and greet the Eby Manor family and staff, who work incredibly hard to make sure we can provide our 100% A2 Guernsey Milk to our community. We wanted our Open House to be an opportunity for our valued customers to

have a guided tour of our day-to-day operation, and to be able to experience our products through food and beverages of our different vendors. And we were able to promote our products and educate the public about the uniqueness of Guernsey cows and A2 Guernsey milk.

We are anticipating having our Open House back again next year! We feel so blessed to have a community that supports us in what we do. Our Open House was one way we felt like we could give back to our community.

<https://www.ancasterfair.ca/>

For any questions, you can contact
National Field Representative, Russell Gammon
226-751-3618 or rggammon1@gmail.com

Meet the Judge

CARL PHOENIX

Carl Phoenix operates Phoenixholm Holsteins on a 240-acre farm along with his wife Kera and children Clara, Carson and Weston.

Prior to establishing Phoenixholm, Carl was in partnership with Phoenix Bros., where they had the honor of receiving their Master Breeder Shield.

Carl has had the opportunity to judge at some of the most prestigious shows in the world such as the Holstein show at the 2018 World Dairy Expo, Wisconsin Championship Show, the New York Spring Carousel, the California State Show, the Brazil Spring Show, the Mexico National Show, and the Irish National Show.

We are looking forward to having Carl as our Judge at this year's National Guernsey Show!

Guernsey News

2024 SCHEDULE

May	Newsletter (submissions due by April 1)
August	Newsletter (submissions due by July 15)
December	Newsletter (submissions due by November 15)

We are always looking for advertisement submissions for our Guernsey News! New discounted rates for advertisement frequency in multiple newsletters.

If you could please provide any advertisements in the below format: Wording for art work specs i.e. design specs – CMYK at 300 ppi in PDF format. We encourage you to submit Camera ready / Completed ads to take advantage of an additional 25% discount.

If you need help putting an advertisement together kindly reach out to Emilie Wallace, and we can look into this on a case by case basis for costs to do ad layout.

SIZE	FREQUENCY 1 Member/Non-Member Rate	FREQUENCY 2 Member/Non-Member Rate (Discount of 15% for 2 ads)	FREQUENCY 3 Member/Non-Member Rate (Discount of 25% for 2 ads)
FULL PAGE 8.5" x 11" <i>with 0.25" bleed</i>	\$240.00 / \$420.00 PER ISSUE	\$200.00 / \$360.00 PER ISSUE	\$180.00 / \$315.00 PER ISSUE
